PARTNER

Maharashtra State Rural Livelihoods Mission

PROJECT RESULTS

5,954 women trained and gained financial independence while also bringing more women customers into the financial system

## How did we deliver on our mission?

As an **NGO**, we partnered with financial institutions & policymakers to design and develop solutions and programs that facilitate systemic change for women.

As an **INVESTOR**, we advanced women in the workplace and as customers through direct equity to bring financial security, prosperity, and independence to women.

## MILESTONE ANNOUNCEMENT

**117 Million\***  
WOMEN REACHED IN  
**8 Years**  
+ 76 MILLION MEN

\* Reach describes any woman who can benefit from our programs to enhance financial inclusion, defined as giving women the choice to access and capability to use financial services.

This includes:

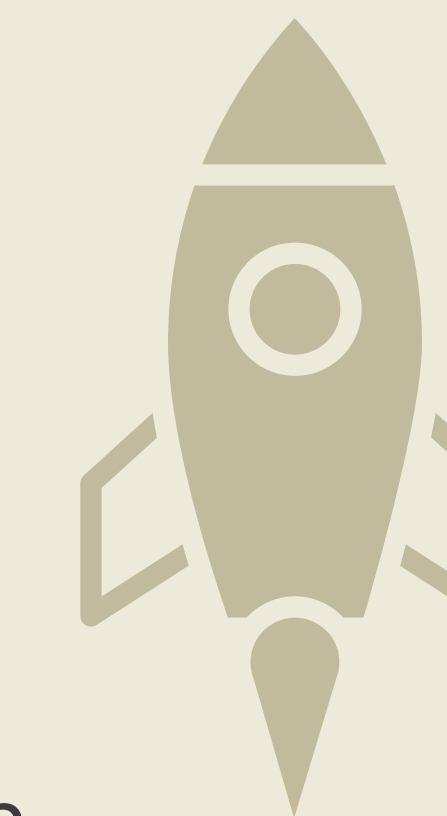

1. Women who have access to new or enhanced products or services, delivered directly in partnership with financial institutions.
2. Women projected to benefit from products, services, or policies that deepen their financial inclusion, through investment and influence with financial institutions and policymakers.

Overlap in women reached both between and within the areas of our work, where known, has been removed.
